FAQ

Q1. Is it the virgin hair?

A : Yes, they are 100% virgin human hair.

Q2. How to care my hair?

A : Treat this hair just as if it was your own hair, very gentle and baby it.

- 1, Use good quality shampoo and hair conditioner to care the hair. It's important to keep the hair soft and shiny.
- 2, Go to professional stylist to style your hair.
- 3, Olive oil will be a good choice to keep the hair healthy.

Q3: Can I dye/color the hair?

A. Yes. The virgin hair can be colored. We recommend professional hair stylist to make dye your hair, If you can't get to a salon, please always use a good quality products and test a small sample first.

Q4: How to differentiates human hair with synthetic hair?

A: Human hair has natural protein . It is easy to tell by burning and smell : human hair will be ash , which will go away after pinching. When burning , the human hair will show white smoke.While synthetic hair will be a sticky ball after burning and will show black smoke.Moreover, human hair may have very few gray hair and split ends. It is normal and not a quality problem.

Q5:How to wash your hair?

You should always stand upright when you wash your hair. Lean back your head and pour the water down over it. You should never scour your hair but massage it gently To wash your hair extension, you should use Your fingers pushing them in between the rows or alignment, and gently pressing the Locks of hair. It is recommended to use professional shampoo and conditioner products, and sometimes hair end oil treatment, too.
