Product Description

Product Description:

Clip-In Hair Pieces are the perfect way to add length and fullness to your hair without sacrificing style. Clip-In Hair Extensions are designed to be easy to apply, with no need for restyling. The straight texture and full head style of these extensions make them a versatile choice for any occasion. There's no need to worry about dying because these extensions are not suitable for that. The biggest advantage of these hair pieces is that they are easy to apply, allowing you to quickly and easily change up your look.

FAQ:

Q1: What is Clip in Hair Extension?

A1: Clip in Hair Extension is a hair extension method produced by ELECLIFT with model number CDD1015, which originated from China. It is a fast and easy way to add length, volume and color to your hair.

Q2: How to apply Clip in Hair Extension?

A2: It is easy to apply Clip in Hair Extension. Firstly, you need to prepare your hair by brushing it and then create a horizontal part line. Secondly, open the clips on the extension and secure them to your hair. Thirdly, you need to blend your hair and the extensions. Finally, style the hair as desired.

Q3: How long will Clip in Hair Extension last?

A3: With proper care, Clip in Hair Extension can last for 6 months to one year.

Q4: How to care for Clip in Hair Extension?

A4: To care for Clip in Hair Extension, you need to brush the hair from the ends to the top and use a gentle shampoo and conditioner to clean the hair. After washing, you need to air-dry the hair or use a blow dryer on the lowest setting.

Q5: What is the material of Clip in Hair Extension?

A5: Clip in Hair Extension is made of 100% human remy hair.
