Product Description

Product Description:

Clip In Hair Extensions

Clip in hair extensions are the perfect solution for adding length and volume to your hair in an easy, hassle-free way. Our clip-on hair pieces are made from 100% Remy human hair, which is the highest quality human hair available and allows for effortless styling. With our clip-in hair extensions, you can choose the length that best suits you, from 18 inches to 24 inches. The clips are designed to be secure and easy to attach and remove, making it easy to quickly and easily create your desired hairstyle. Additionally, our clip-in hair extensions are available in a variety of colors and textures, so you can get the perfect look to suit your style.

Our clip-in hair extensions are a great choice if you want to add length and volume to your hair without the need for a professional hair stylist. They are easy to apply and remove, so you can change up your look whenever you want. Plus, they are made with Remy human hair, so they look and feel natural and can be styled just like your own hair. With our clip-in hair extensions, you can get the perfect look without the commitment of permanent hair extensions.

Applications:

ELECLIFT CDD1015 Clip-On Hair Pieces are the perfect go-to for a quick and easy hair transformation. Our Clip-In Hair Extensions are made of 100% synthetic fibers, making them look and feel like real human hair. With a length of 18 inches, these Clip-In Hair Pieces are designed to blend in seamlessly with your natural hair. Not only are they lightweight and comfortable to wear, but they are also easy to apply and remove. Plus, they won't damage your natural hair and are available in a range of colors, including blonde. With ELECLIFT Clip-On Hair Pieces, you can easily create a variety of hairstyles in just a few minutes!

Packing and Shipping:

Packaging and Shipping for Clip In Hair Extension

Clip in hair extensions need to be properly packaged and shipped in order to ensure that they safely arrive to their destination. The packaging and shipping process should be done as follows:

Pack the hair extensions in a secure box with plenty of cushioning material to prevent damage during shipping.

Make sure to include any necessary instructions, product warranties, and other relevant information in the package.

Choose an appropriate shipping service for the order. Consider the size, weight, and destination of the package when deciding on which shipping service to use.

Print out a shipping label and attach it to the package.

Send the package off and ensure that it has been delivered to the customer.
